

VD 70ft

The best sailing experience in Ibiza

VD 70ft

Designed by the marine engineer Geoff Parsons was launched in the earlies 90's in Plymouth.
In 2012-14 has been going through a 100% refit process for over 2 years.

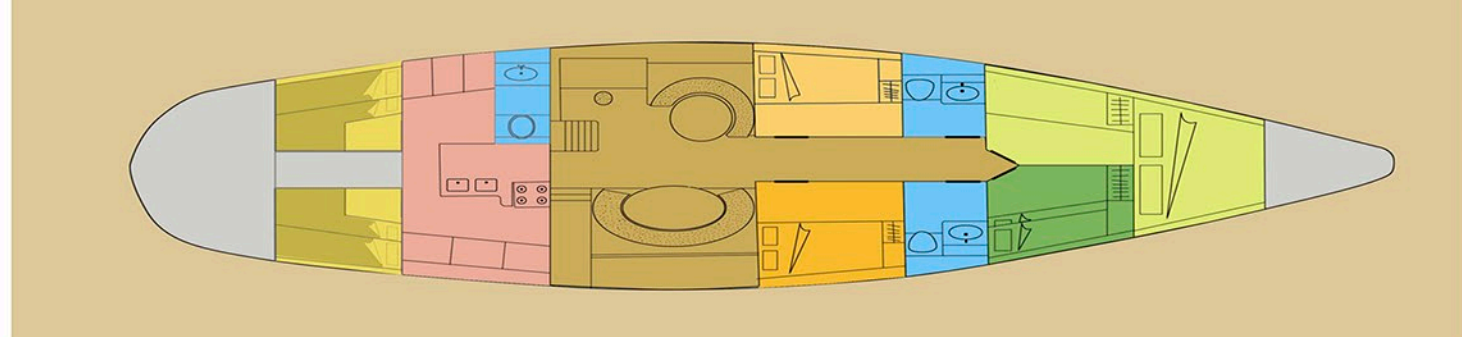

VOYAGER is based on a modern but well proven hull design with a twin cockpit deck layout that enables the crew to run and handle the vessel without imposing on your freedom or privacy.
The deck, coachroof and both cockpits are teak covered, providing an attractive and safe footing.

CABINS:

4 Double cabins + 2 complete Toilets are located in the guest area.

2 Single cabins + 1 complete Toilet are located in the crew area (stern).

Air Conditioning, TV, Hi-Fi, Water maker
